SKILLS SUMMARY

- **Languages**:　　　C, C++, Java, and
- **Frameworks**:　　　HTML, CSS, Bootstrap5, Tailwind, ReactJS and Flutter
- **Tools/Platforms**:　Oracle, SQL Server, Linux, Windows-7, 10, 11
- **Soft-skills:**　　　Leadership, Problem-solving, Communication, Adaptability

PROJECTS

- **Digital Portfolio**　　　　　　　　　　　　　　　　　　　　　　　　　Oct 2025
  Domain: Website
  Tech: React.js, Vite, CSS, JavaScript, Vercel
  Aim: Created a sleek and responsive digital portfolio to showcase skills and projects effectively.
  Objective: Developed an interactive, multimedia-rich website with smooth animations and intuitive navigation to enhance user engagement across devices.
  Outcome: Delivered a modern, fully deployed portfolio that strengthens personal branding and provides easy access to work samples for potential employers.
  GitHub: https://github.com/SkY-DyNamiC/Node-js.git

- **Game Zone**　　　　　　　　　　　　　　　　　　　　　　　　　　　　April-2025
  Domain: Website
  Tech: HTML, CSS, JavaScript, React, Node.js, Express.js, MongoDB
  Aim: Created an engaging gaming platform with dynamic front-end.
  Objective: Developed backend services with RESTful APIs for user management and game data.
  Outcome: Delivered a full-stack platform enabling seamless gameplay and efficient data storage.

- **Automated Guided Vehicle**　　　　　　　　　　　　　　　　　　　　　March- 2025
  Domain: Embedded Systems / Robotics
  Tech: C (Arduino), IoT, Ultrasonic and IR Sensors, L293D Motor Driver, Relay, Servo Motors, DC Water Pumps
  Aim: Developed an autonomous fire-detection and extinguishing vehicle using embedded IoT systems.
  Objective: Engineered real-time fire detection and flame suppression with obstacle avoidance capabilities.
  Outcome: Built a reliable AGV prototype successfully tested for indoor fire response, integrating sensor-driven navigation and relay-operated water pump control.

TRAINING

- **All Indian Marwadi Yuva Manch**　　　　　　　　　　　　　　　　June 2023-July-2023
  CDP Intern
  - **About**: Organized the youth force, prepare them for contributing to community and national progress, and make them conscious of their social obligations by mobilizing their power in constructive directions.
